Return: Dallas (DFW) – December 5, 2026

Southern Spain (Al-Andalus) Muslim Heritage Tour with Umrah

Join us on a unique spiritual and historical journey that combines the rich Islamic heritage of **Al-Andalus (Islamic Spain)** with the sacred pilgrimage of **Umrah in Makkah and Madinah**.

This special program explores the remarkable legacy of the Muslim civilization that flourished in the Iberian Peninsula from **711 CE to 1492 CE**, when Spain and Portugal were centers of Islamic knowledge, culture, architecture, and scientific advancement.

During the Andalusia tour, you will be accompanied by a **local Muslim guide specializing in Islamic history and heritage of Spain**, offering deep insights into the legacy of Muslim rule in the region.

As a Muslim travel program, we ensure that all arrangements are designed with Muslim travelers in mind, including:

- Halal dining options
- Prayer time accommodations
- Visits to historic Islamic landmarks
- Opportunities to connect with modern Muslim communities in Spain

You will also experience the beauty of traditional **Andalusian Muslim agriculture**, visiting farms and gardens where olives, fruits, and vegetables are grown using methods inspired by the agricultural traditions introduced by Muslims centuries ago.

This journey is not only educational but also deeply spiritual — connecting the legacy of Islam in Europe with the sacred pilgrimage to the Holy Cities of **Makkah and Madinah**.
